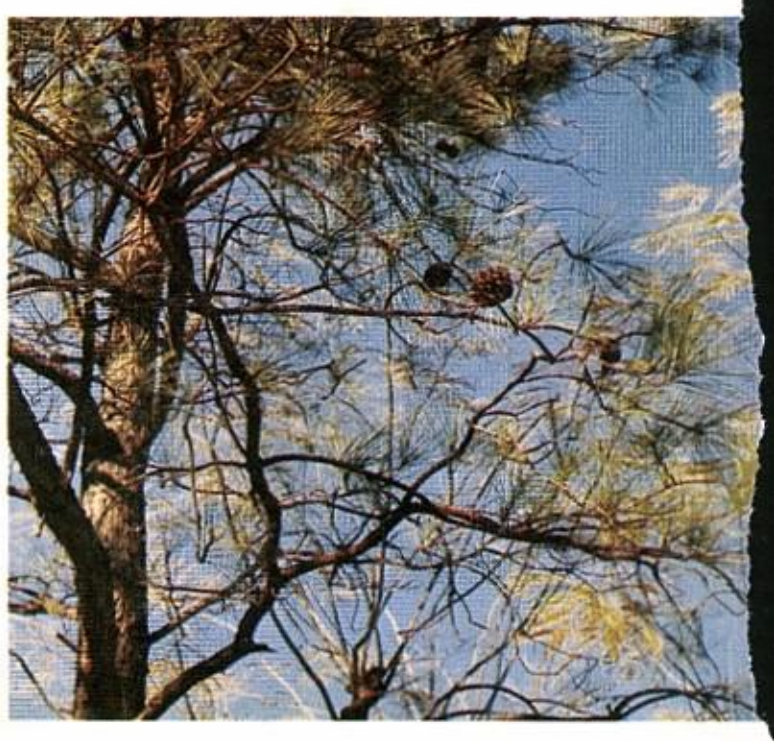
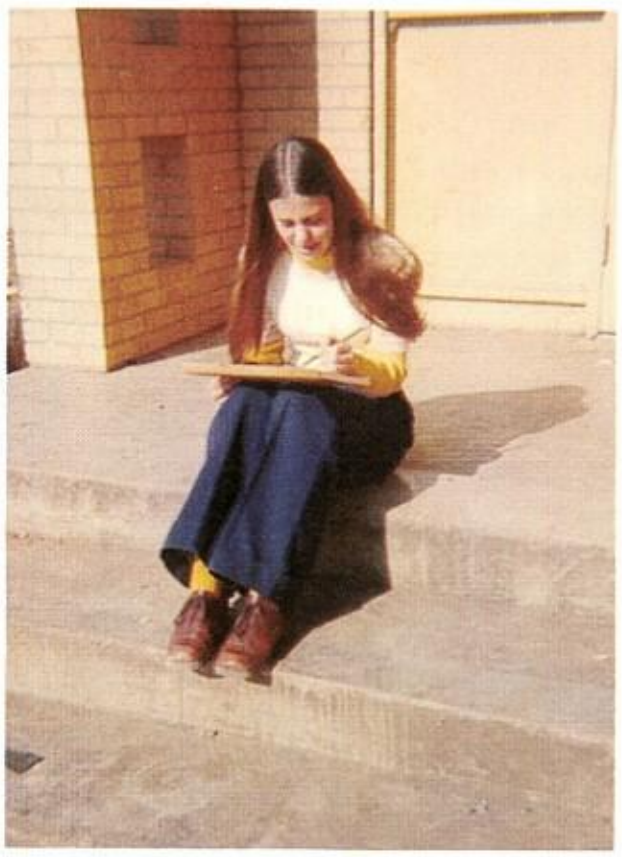
SESAME STREET





alive is more than just existing
alive is running, jumping, laughing.
alive is changing . . .
not just changing within yourself . . .
but awareness of the changes around
you . . . inflation, the watergate
scandal, president Ford, vice-
president Rockefeller, priceless sugar
with tight job markets
alive is learning . . .
learning to share, to comprehend, and
to be aware;
aware of the world and people around
you.
alive is appreciating the things you
have . . .
alive is to recognize real friends.
alive to the joy of discovering . . .

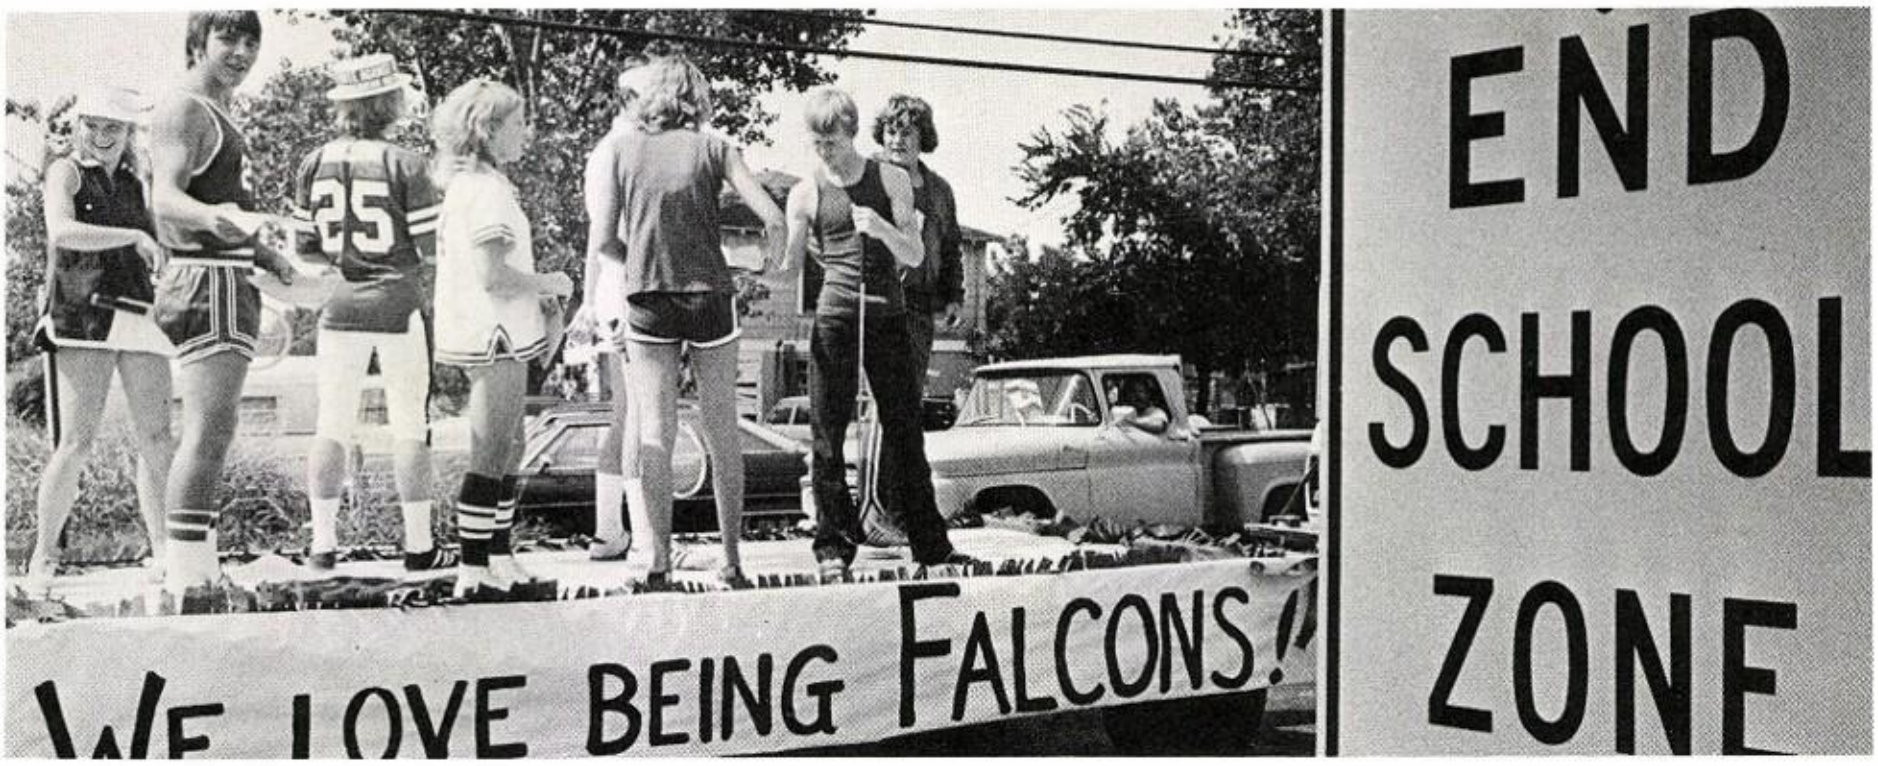
alive to the people, places and events in Lake Dallas in 74-75.
things were changing . . . people adjusting to a hurry-up world . . . that was trying desperately to slow-down fast . . . students preparing to enter the adult world . . . by learning to share and understand . . . that discipline brings rewards . . . that laughing at yourself, is better than laughing by yourself . . . it was truly a great time to be totally and completely ALIVE in 1975.

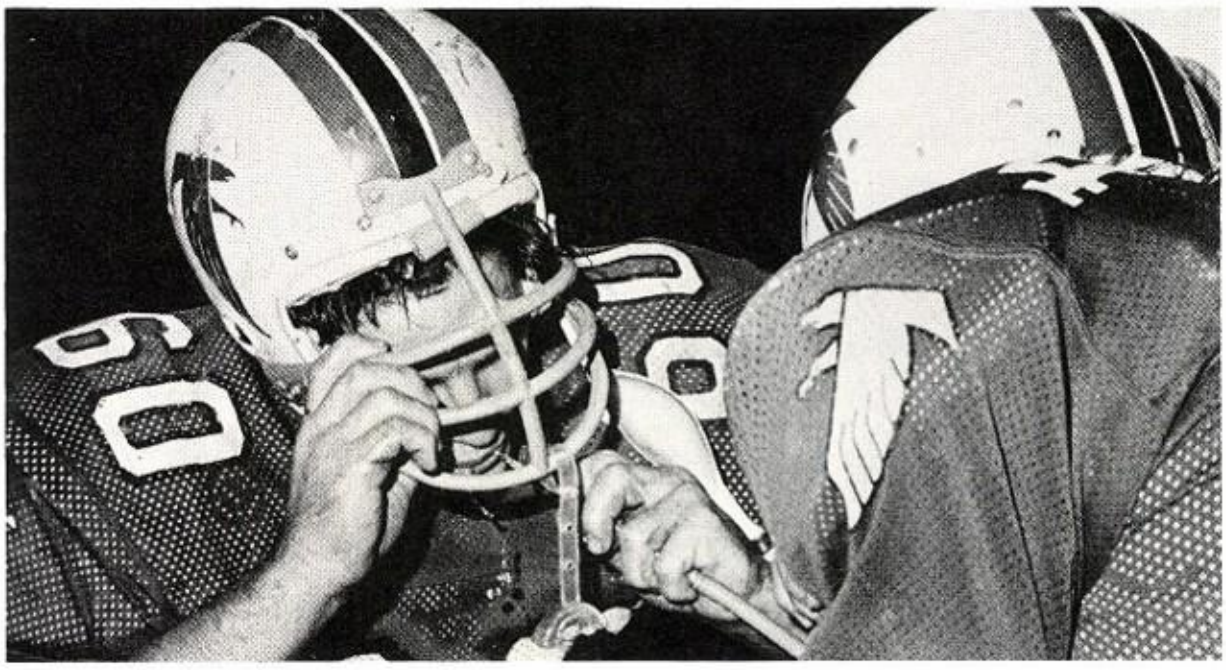
alive and kicking

S.O.S.

Save our school, three words that meant a lot to the students and supporters of Lake Dallas High School in 1974-75. An up to date appraisal on the land in and around Lake Dallas led many people in the community to believe that the High School should consolidate with the Denton School District. Thanks to the hard work of all the students and many L.D.H.S. supporters consolidation was voted down with 779 against and 100 for.

We hope Lake Dallas High School always maintains the high standards she has now, and that the students and community will always be as concerned as they were in the "Summer of 1974."
Sophomore Terry Spence, endured the August heat for S.O.S. in his gorilla suit.



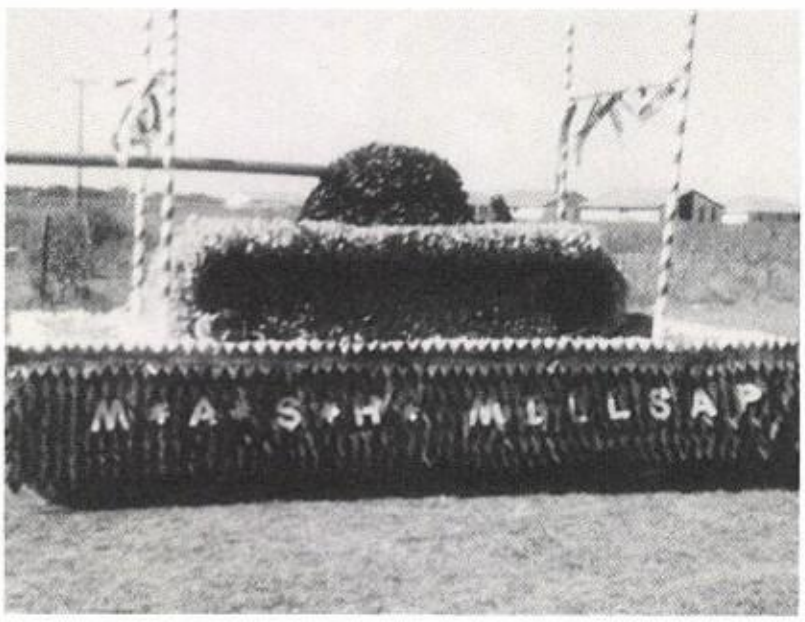


School begins and the Falcons are off to another season of hard work and victories. The Seniors sponsored a Fifties Day to help promote spirit for the Aledo game. The day was climaxed by the election of Mr. and Ms. Fifties. Senior - Sheri Coppinger and Junior - Rickey Stephens won the honors with authentic clothes from the fifties.

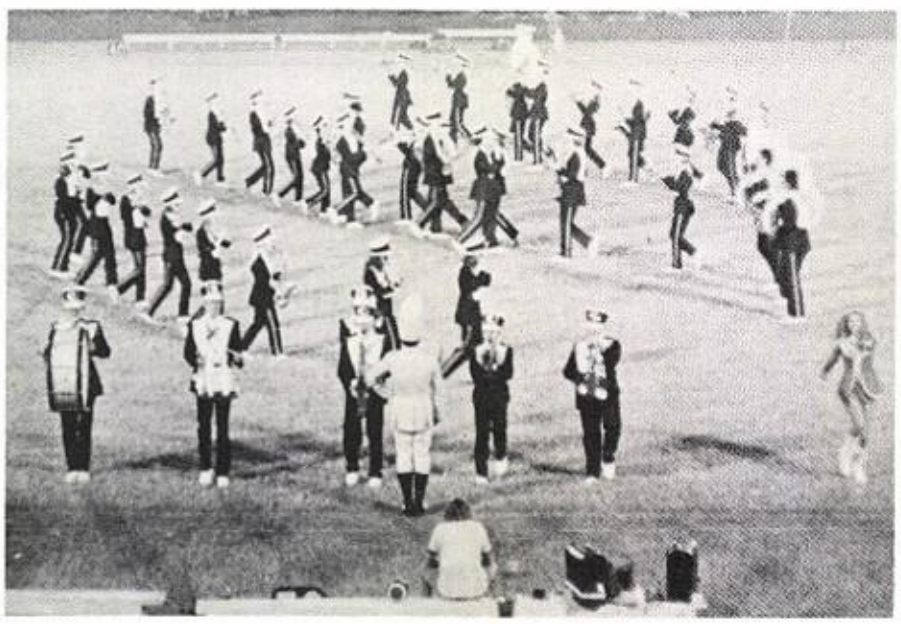
homecoming . . .

arouses excitement and spirit. The weather was perfect for all of the homecoming activities. Spirit soars as homecoming week progresses with the building of floats, a bonfire, parade, and a tremendous victory over Millsap. The final score was Lake Dallas 72 and Millsap 0. This outstanding score broke the Lake Dallas scoring record.

The marquee helps put across homecoming.



The junior float won second place with "Mash."



A hard working band participates in all halftime activities.

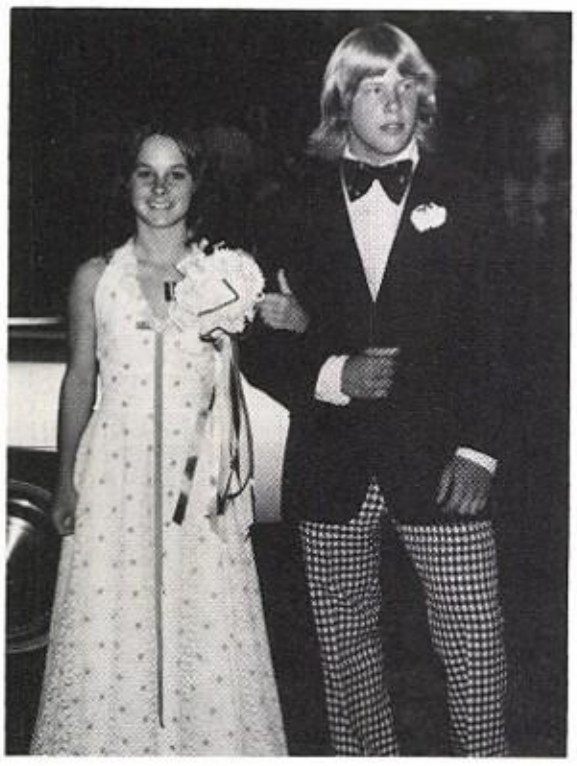
The eighth grade float took first place, in the Jr. High with "Temperatures rising."

nominees

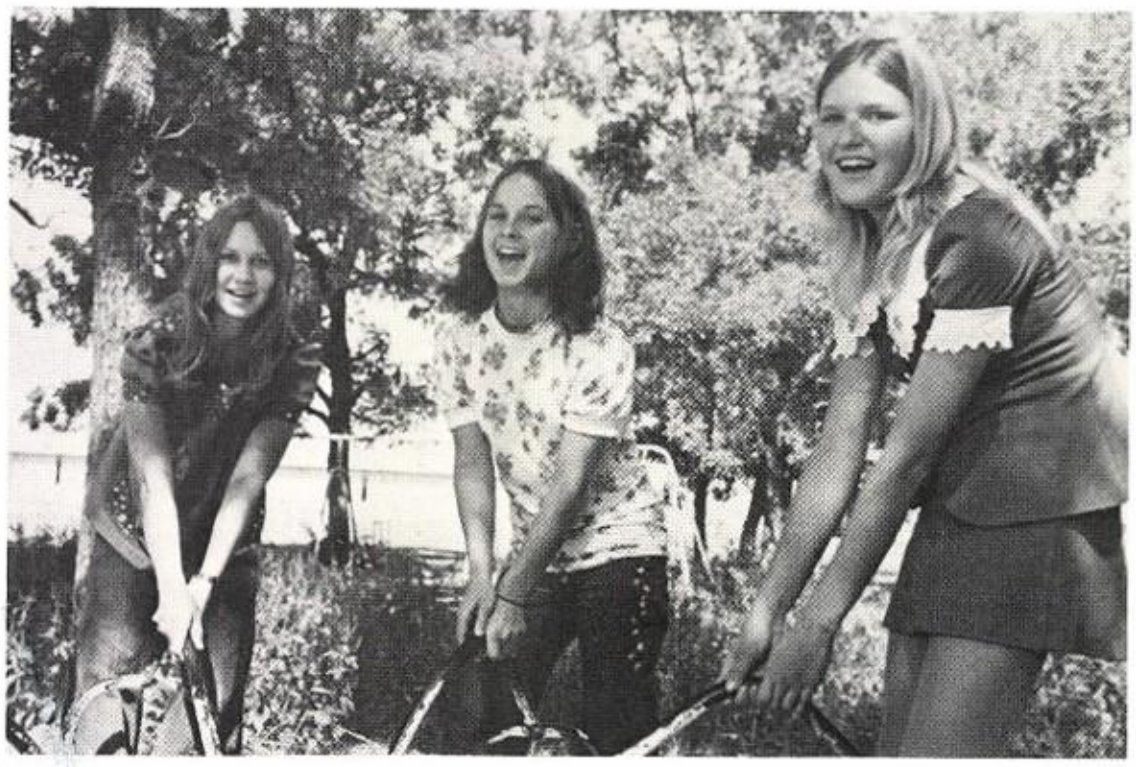
Lawanna Watkins, freshman escorted by Dennis Brozd

Belynda Anderson, sophomore escorted by Marty Blanton

This year's nominees were Donna Duncan, Belynda Anderson, and Lawana Watkins. Donna is a cheerleader and she enjoys all sports. Belynda is a member of the basketball team and her hobbies are sports and swimming. Lawana enjoys football and swimming.



Donna Duncan, junior escorted by Bobby Caldwell

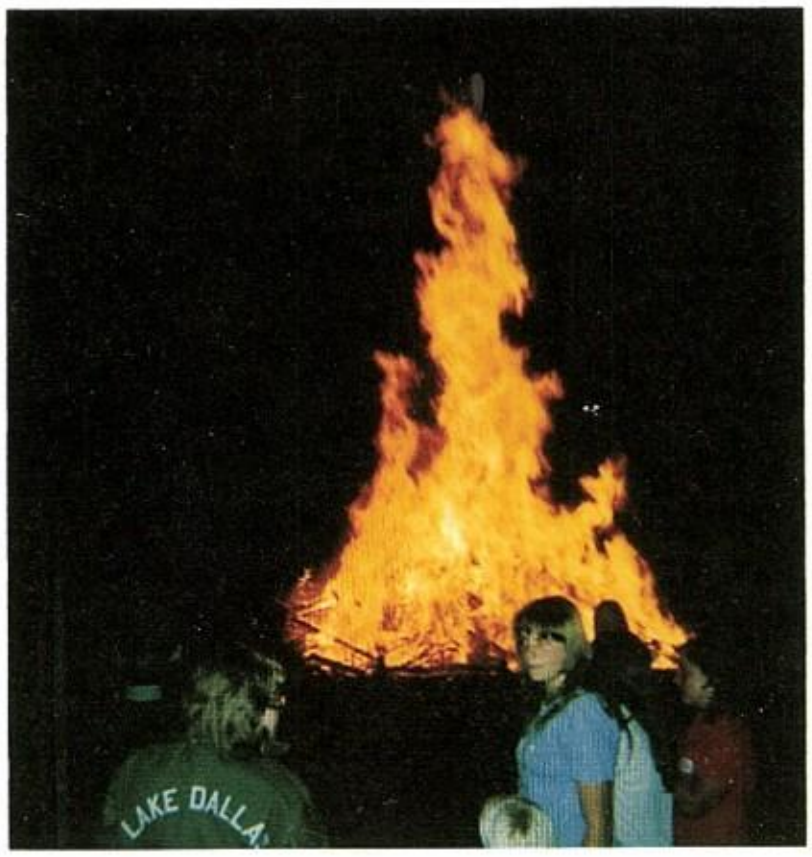


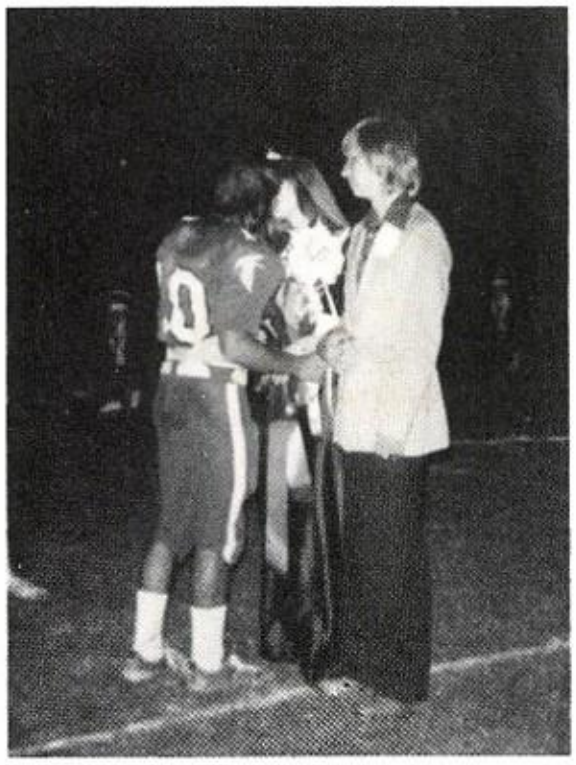
Homecoming nominees have a busy week, but they take time out for a ride on the merry-go-round.

L. to R.: Senior Marta Gray, Jr. Donna Duncan, Fr. Lawana Watkins and Soph. Belynda Anderson.

Donna Duncan, junior; Belynda Anderson, sophomore; and Lawana Watkins, freshman, all had an exciting week with the preparation of the parade, and practicing for the half time activities.

Homecoming is . . . building floats, excitement of bright flames against an ebony sky . . . captains Wayne Black, Larry Clark, and Randall Chambers, ready for the announcement of Homecoming queen . . . the election of Mr. and Ms. Irresistable; Renee Rucker and Larry Clark by the student body, and a winning float by the soph. class with "Land of the Giants" as the Theme.





Queen Marta

Homecoming queen was chosen by the student body on Monday of homecoming week. Marta Gray, the senior nominee was crowned during halftime activities at the homecoming game. Marta went to Wichita High School for three years. She is a member of Russells Fashion Board, representing the Lake Dallas area. She enjoys all sports, especially football, basketball, tennis, sailing, and swimming. Marta was escorted by Dale Rasberry. Randall Chambers, senior captain, gives the queen the traditional Homecoming kiss, after being crowned.

falcon coaches

The 1974 football season was only marred by three defeats. The first came from Bridgeport by a margin of one point. The second came by two points at the hands of Northwest on a muddy, sloppy field. The third loss of the season came against Aledo. Aledo came into the game ranked No. 1 in the State and was favored by 14 pts. This game was for the championship of the district, and most likely the state. Aledo scored first from sixty yards out on a perfectly executed end sweep. At half time Aledo held a 13-0 lead. Lake Dallas came roaring back in the second half and acquired a 15-13 lead. It seemed that Lake Dallas had the game won when we recovered an Aledo fumble with 5:00 minutes left in the game. But, on the very next play we fumbled, Aledo recovered and they scored to go ahead 19-15. Lake Dallas fought back and was only 13 yards away from the goal line, and a state championship, when the game ended. Lake Dallas manhandled its remaining opponents and so did Aledo. Throughout the state play-offs, Aledo was never again tested. This season will always be remembered around Lake Dallas as the one that almost brought our first state championship.

Far left: Sherry McInnish, reads the class history.
Right: Mrs. Thorn reads a letter from Pres. Ford to the senior class.

. . . Rose Cutting symbolizes the separation of a class into people who will go on to become doctors, dentists, lawyers, housewives, thieves and drunks. When they enter, they are a class. But when the ribbon has been cut, they are individuals on their own. Some people cry at this time, some people sleep, but we, the Class of '75, prefer to look upon it as just the beginning.

senior class 1975

Seniors have mixed emotions as graduation approaches. Many decisions have to be made for the future. Graduation means the loss of involvement in school activities and work but, most of all, the fun. Behind it all is a feeling of finishing a job that we hope was well done.

class motto

Most people look at things as they
are and ask, ''Why?''
We dream things that never were
and ask, ''Why not?''

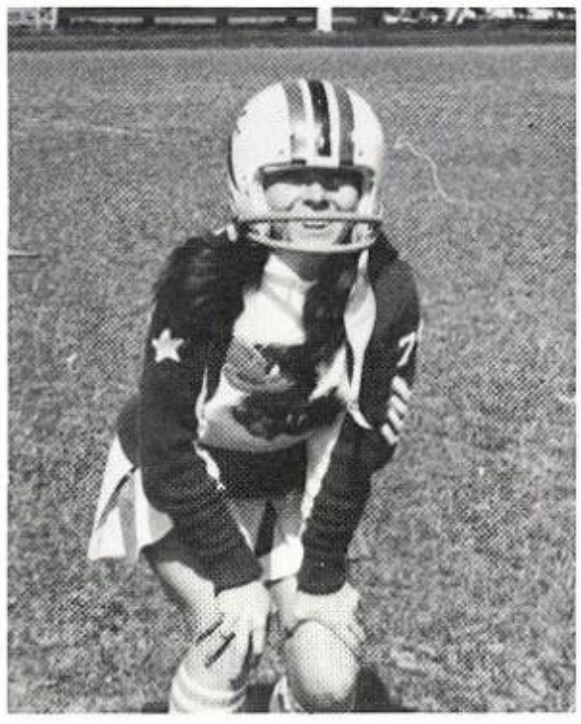
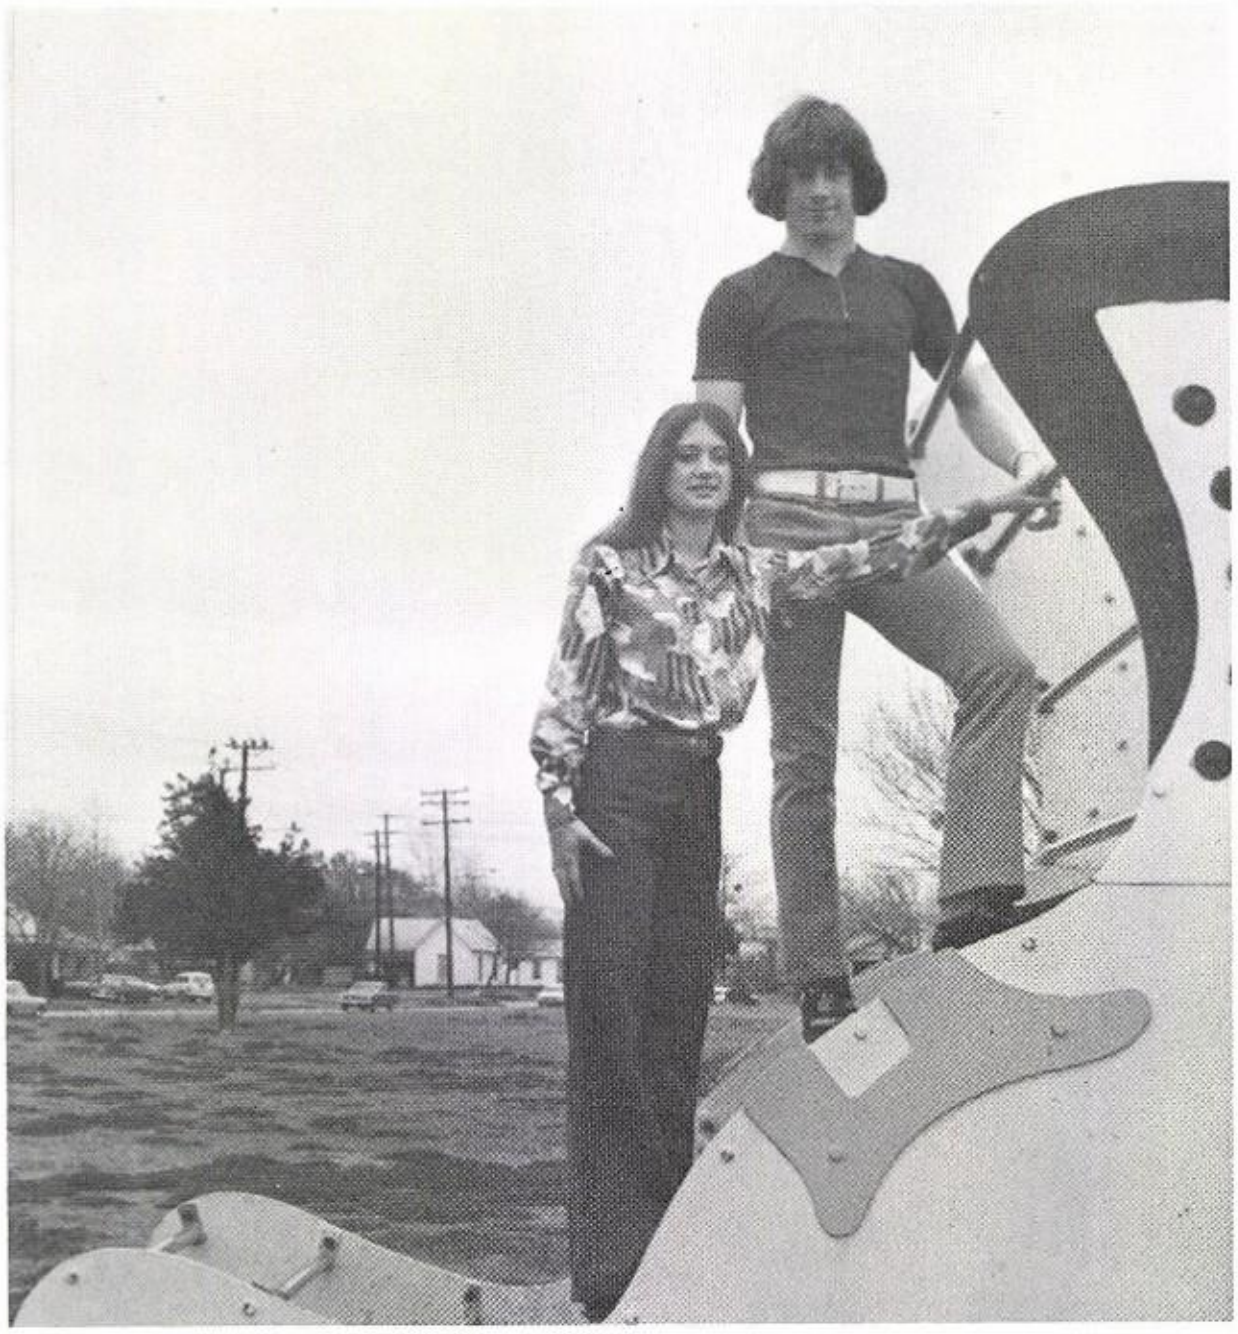
mr. and ms. LDHS

. . . a certain friendly laugh, a different turn of mind, an inexplicable charisma, surrounds these chosen two. They are the banners waving ahead, not the followers, but the makers of the mold. Sherry McInnish has attended LDHS for 12 years. She is interested in scuba diving and photography. She has been a cheerleader for four years. She was elected basketball queen, and FFA plowgirl. She hopes to go to college, and become a scientist. After college she wants to live in the mountains rich and happy.

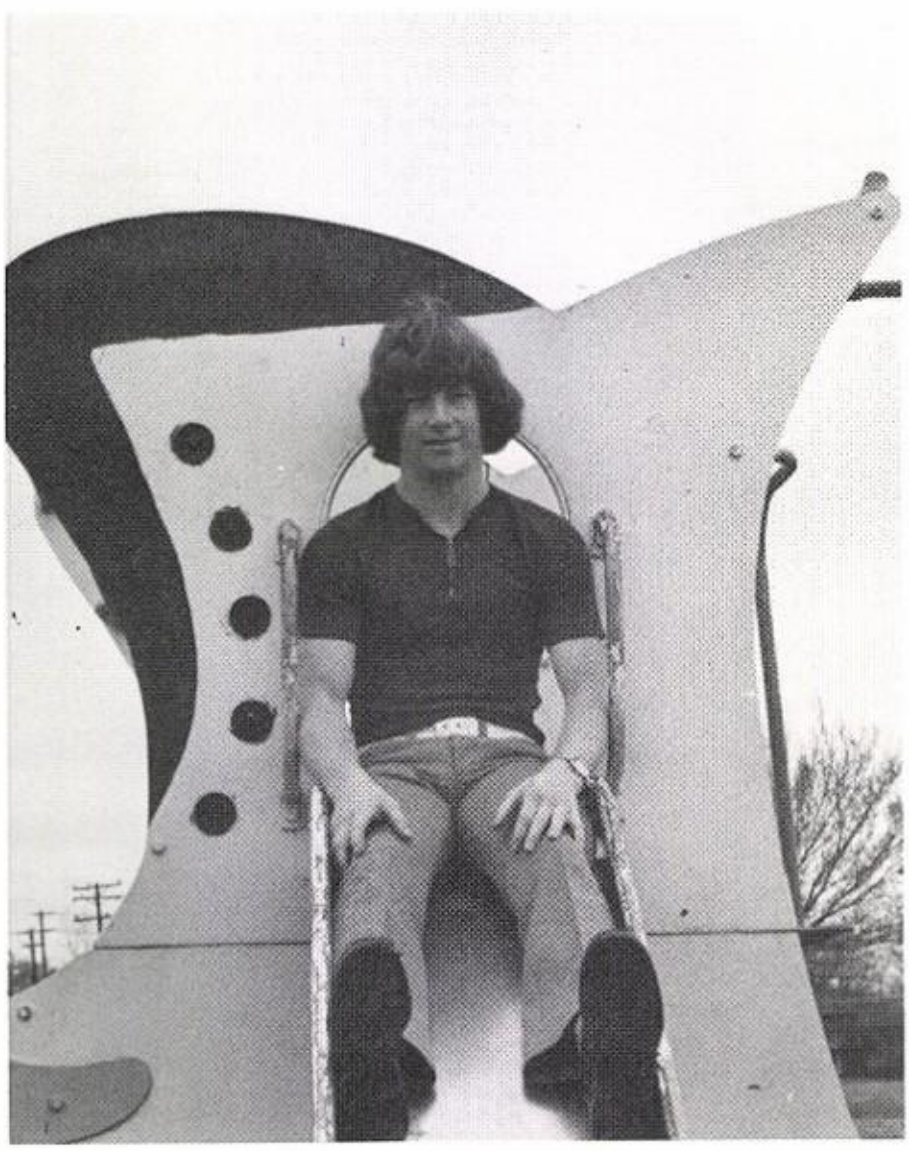
Larry Clark has attended LDHS for 6 years. He is active in all sports; football, basketball, golf, tennis, and track. He received an athletic award and all-district in football. He plans to go to college and play football, and then become a coach.

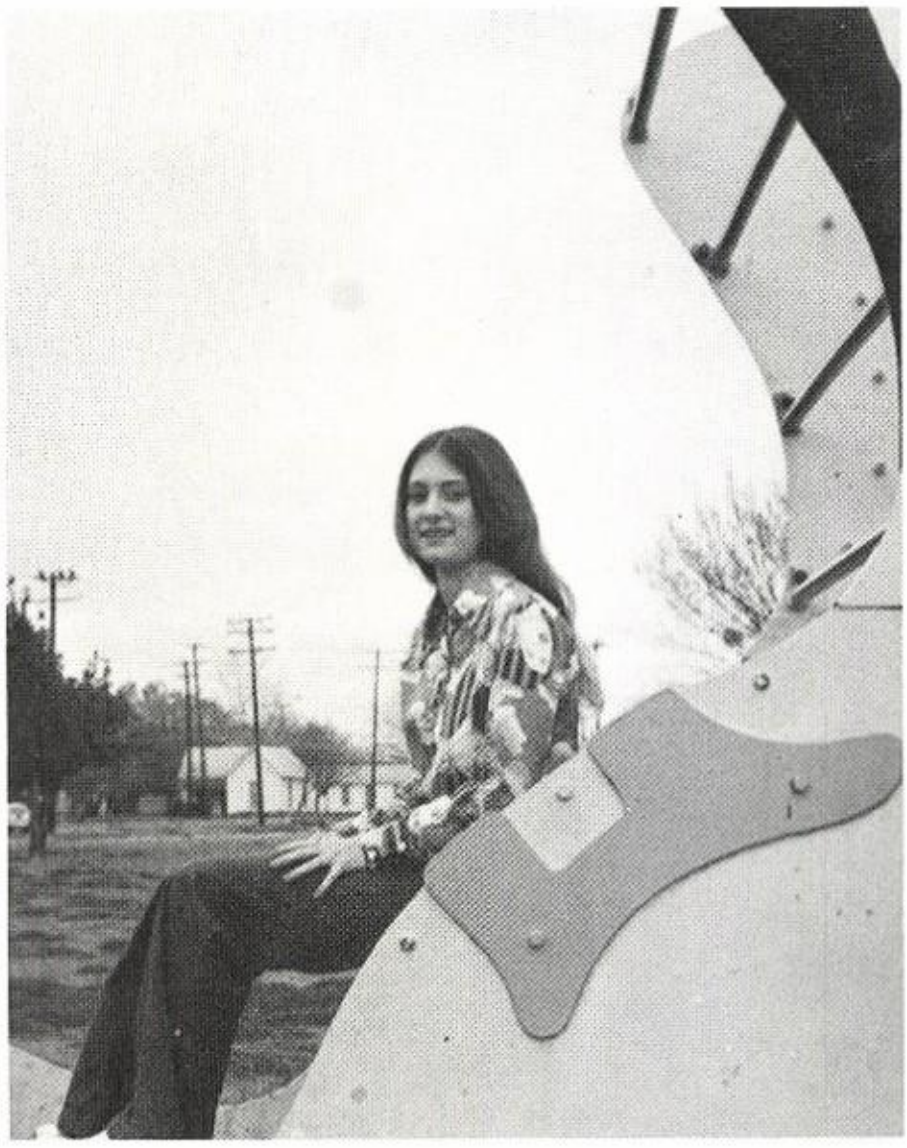




best all-around

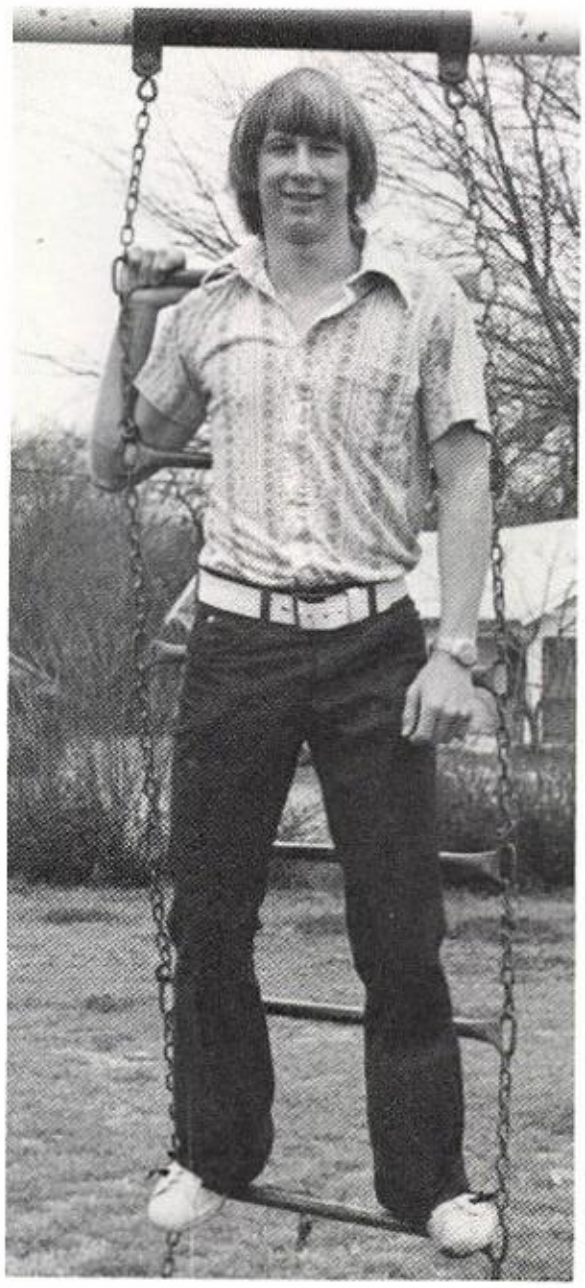
. . . The versatility of these students is shown by their wide range of interests, while their similarities are shown by a mutual and active loyalty to L.D.H.S. as they excel in individual accomplishments, they also assume leadership in school life. Junior Renee Rucker has attended L.D.H.S. for 11 yrs. She is a student council officer, cheerleader, FFA sweetheart, and she was voted Miss Irresistable. Senior Randall Chambers has attended L.D.H.S. for 11 yrs. He received an honorable mention all-dist. award in football and basketball the last two years. He was voted Senior class favorite. His next goal is to attend North Texas State University.





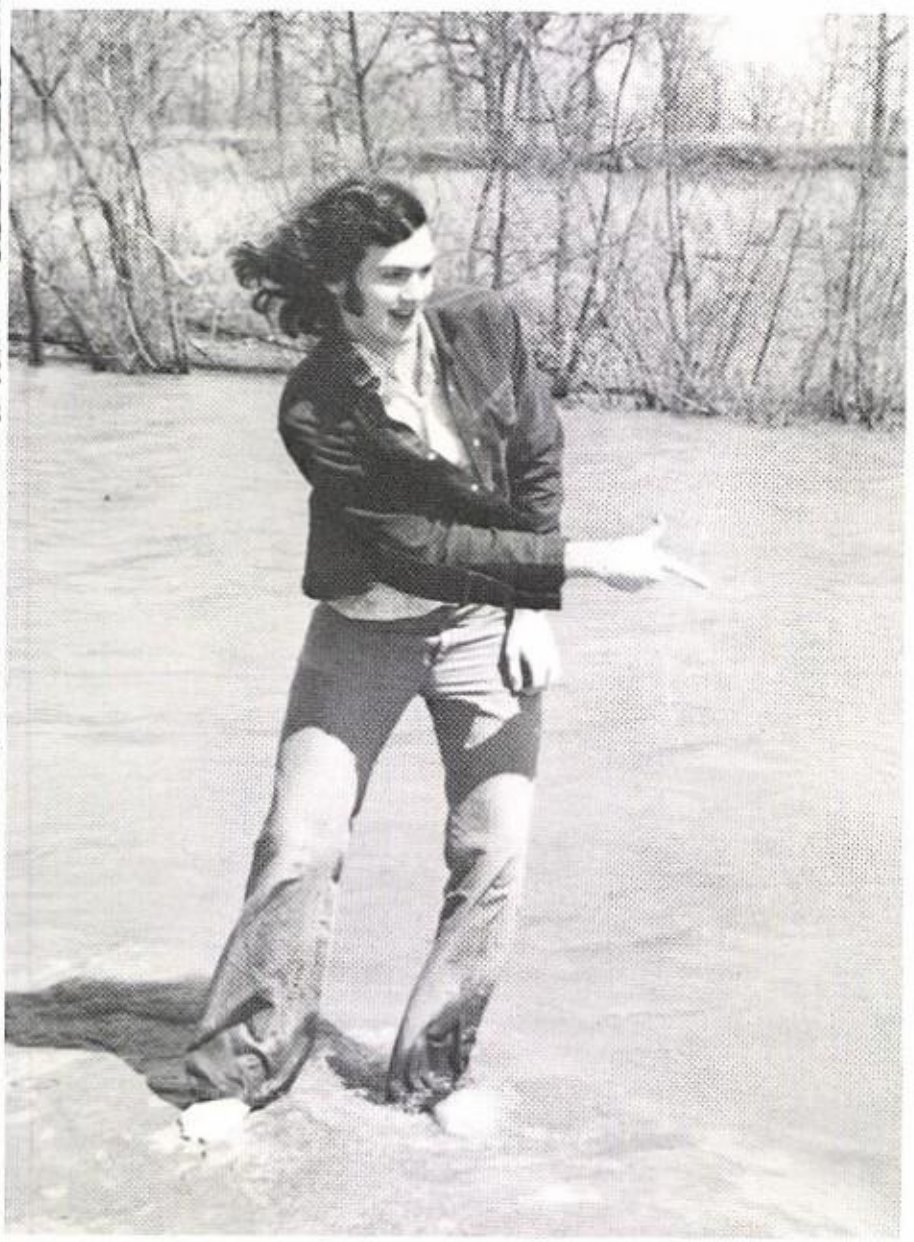
most energetic

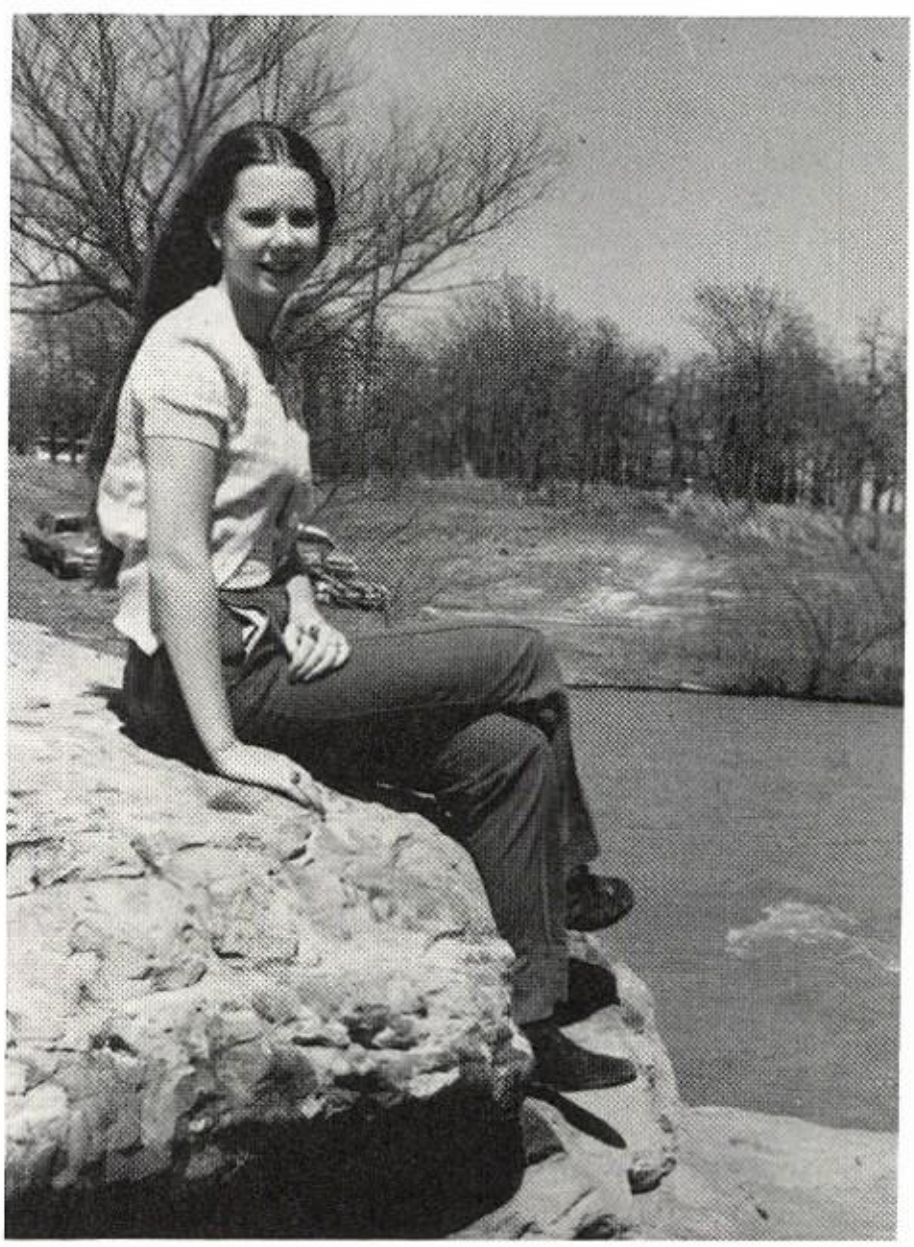
. . . is the title for the two kids who get into everything they can (except trouble of course) during their high school years. Julia Brazzel, a junior, has attended L.D.H.S. for 9 years. She is FHA president, and jr. class treasurer. She enjoys sports and cheerleading. Rickey Garrison, a junior, has attended L.D.H.S. for 11 years. He is in football, track, basketball, and girls. He was all district in football and honorable mention all district in basketball.



most likely to succeed

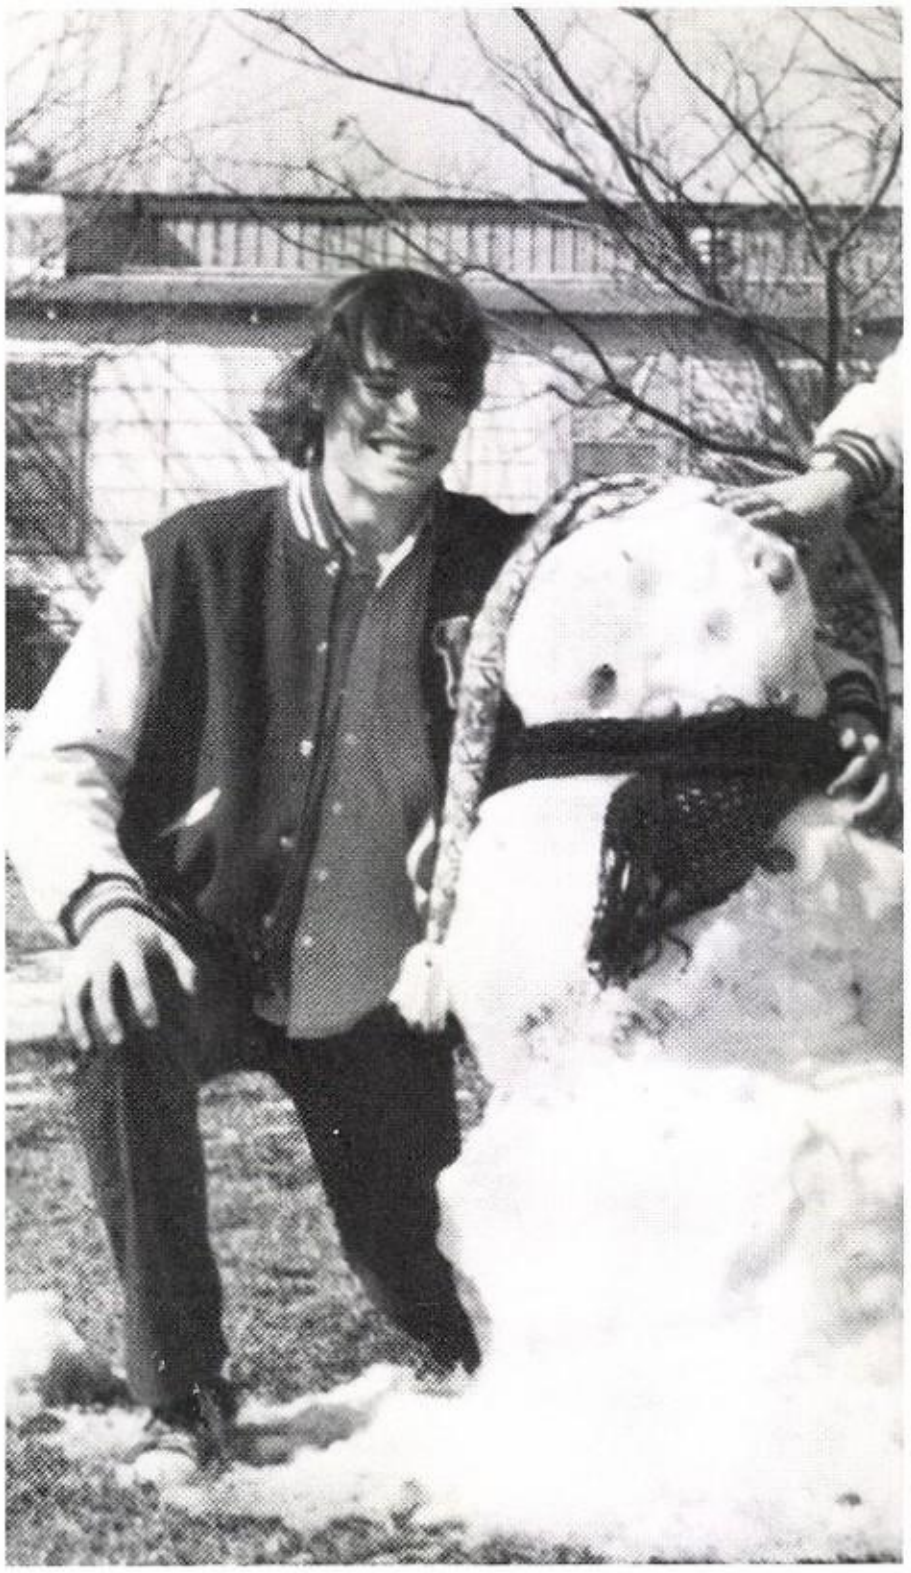
A couple of very likely seniors claimed this award. Marta Gray has only been here a year and has already earned the Homecoming Queen title. She and David Howard are both exceptionally sharp students. They use serious, hard work plus a lot of good humor to reach their goals. For Marta this means teaching school after college. David, already famous for his many band and math awards during his 12 years in L.D.H.S. dreams of running a bank with lots and lots of money. Both are bound for success.

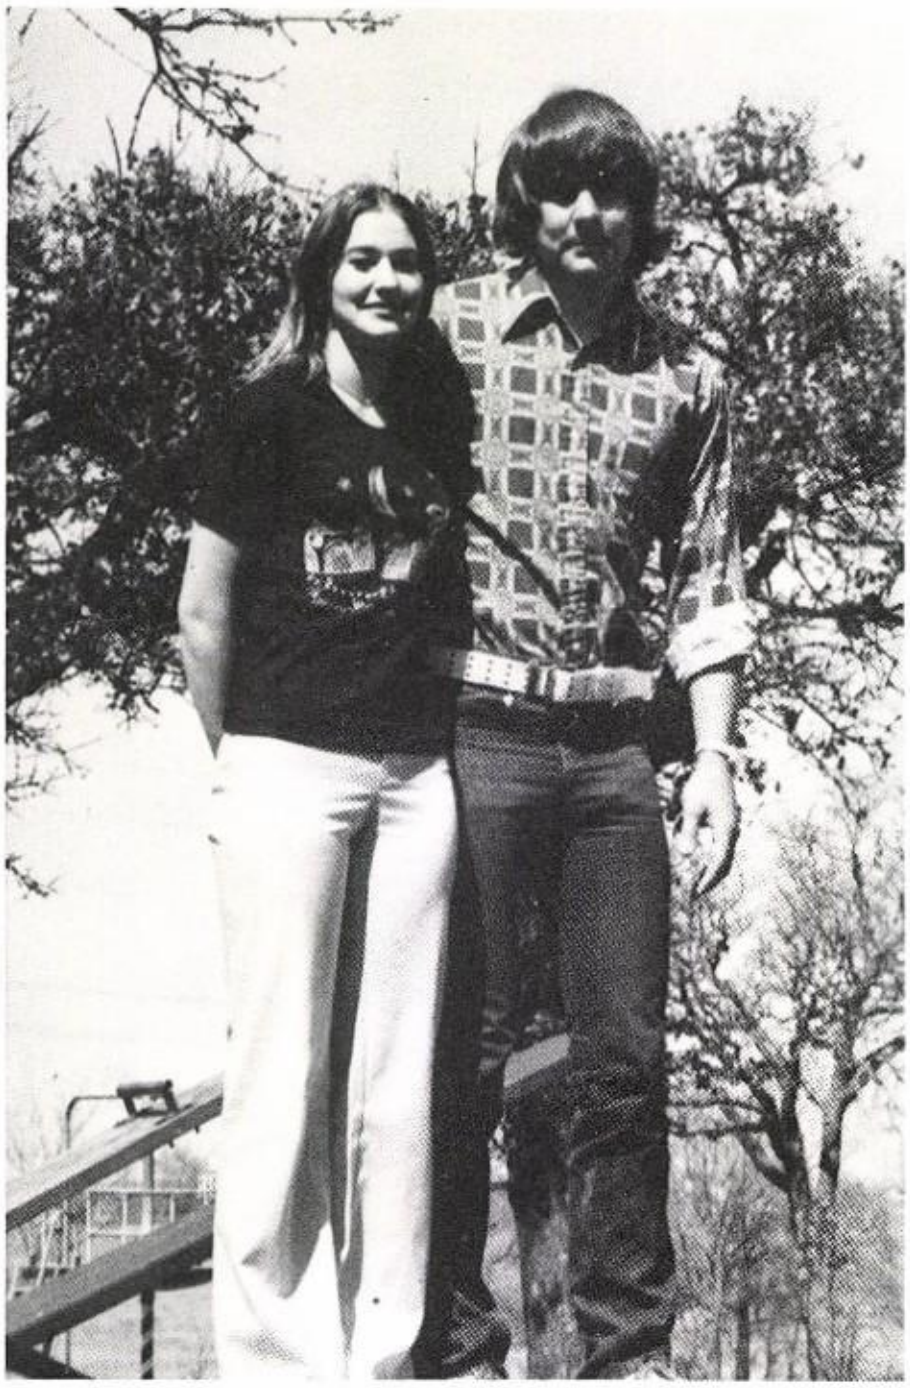




most friendly

. . . With a lot of smiles, an outgoing personality and just being friendly with everyone is the main reason why Belynda Anderson and Jeff Simpson were voted most friendly. This is Belynda's first year at L.D.H.S. She is active in track, tennis, basketball, and student council. She was voted sophomore favorite and homecoming nominee. This is also Jeff's first year at L.D.H.S. He is a senior and is active in football, baseball, and track. He hopes to go to college on a track scholarship.



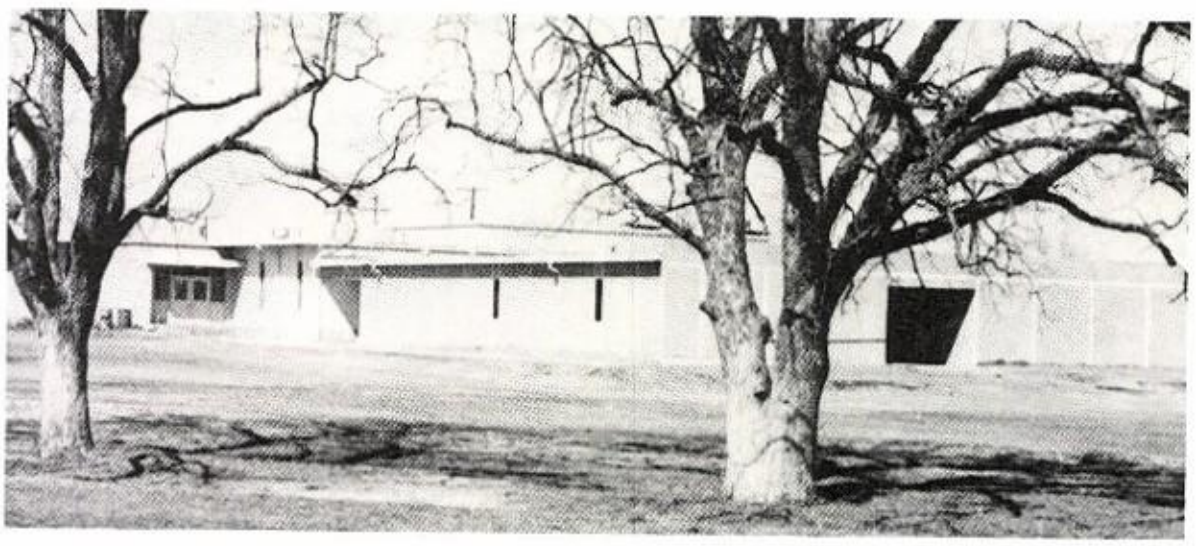


most beautiful
and
most handsome

This is Sheri Coppinger's second year at L.D.H.S. Her main interests are riding horses, water skiing, and traveling. She was the senior nominee for Halloween Royalty. She plans to work and travel. Butch Honse has attended L.D.H.S. for seven years. He is interested in girls, sports, his car, and motorcycles. He is active in football, basketball, track, baseball, and student council. He has been elected class favorite three times. He hasn't made any future plans yet, he wants to make the best out of what he's doing at L.D.H.S.

biggest flirts

This year's flirts are two lively juniors. Dee Mohn, slender and half crazy, has been a part of L.D.H.S. for four years. She enjoys athletics and raising her lamb, Bo-Wesley, for her FFA project. Rodney Davidson, active in football, and track, has been a part of L.D.H.S. for five years and is often seen grinning and jumping around the halls.



Junior High students study, play and succeed in activities that are . . .

Senior Graduates of LAKE SHORE BAPTIST CHURCH, Lake Dallas, Texas

Congratulations seniors on achieving this important stage of your life. Continue to grow in wisdom and favor with God and man, as Jesus Christ did. "For WISDOM is better than jewels, and all that you may desire cannot compare with her."

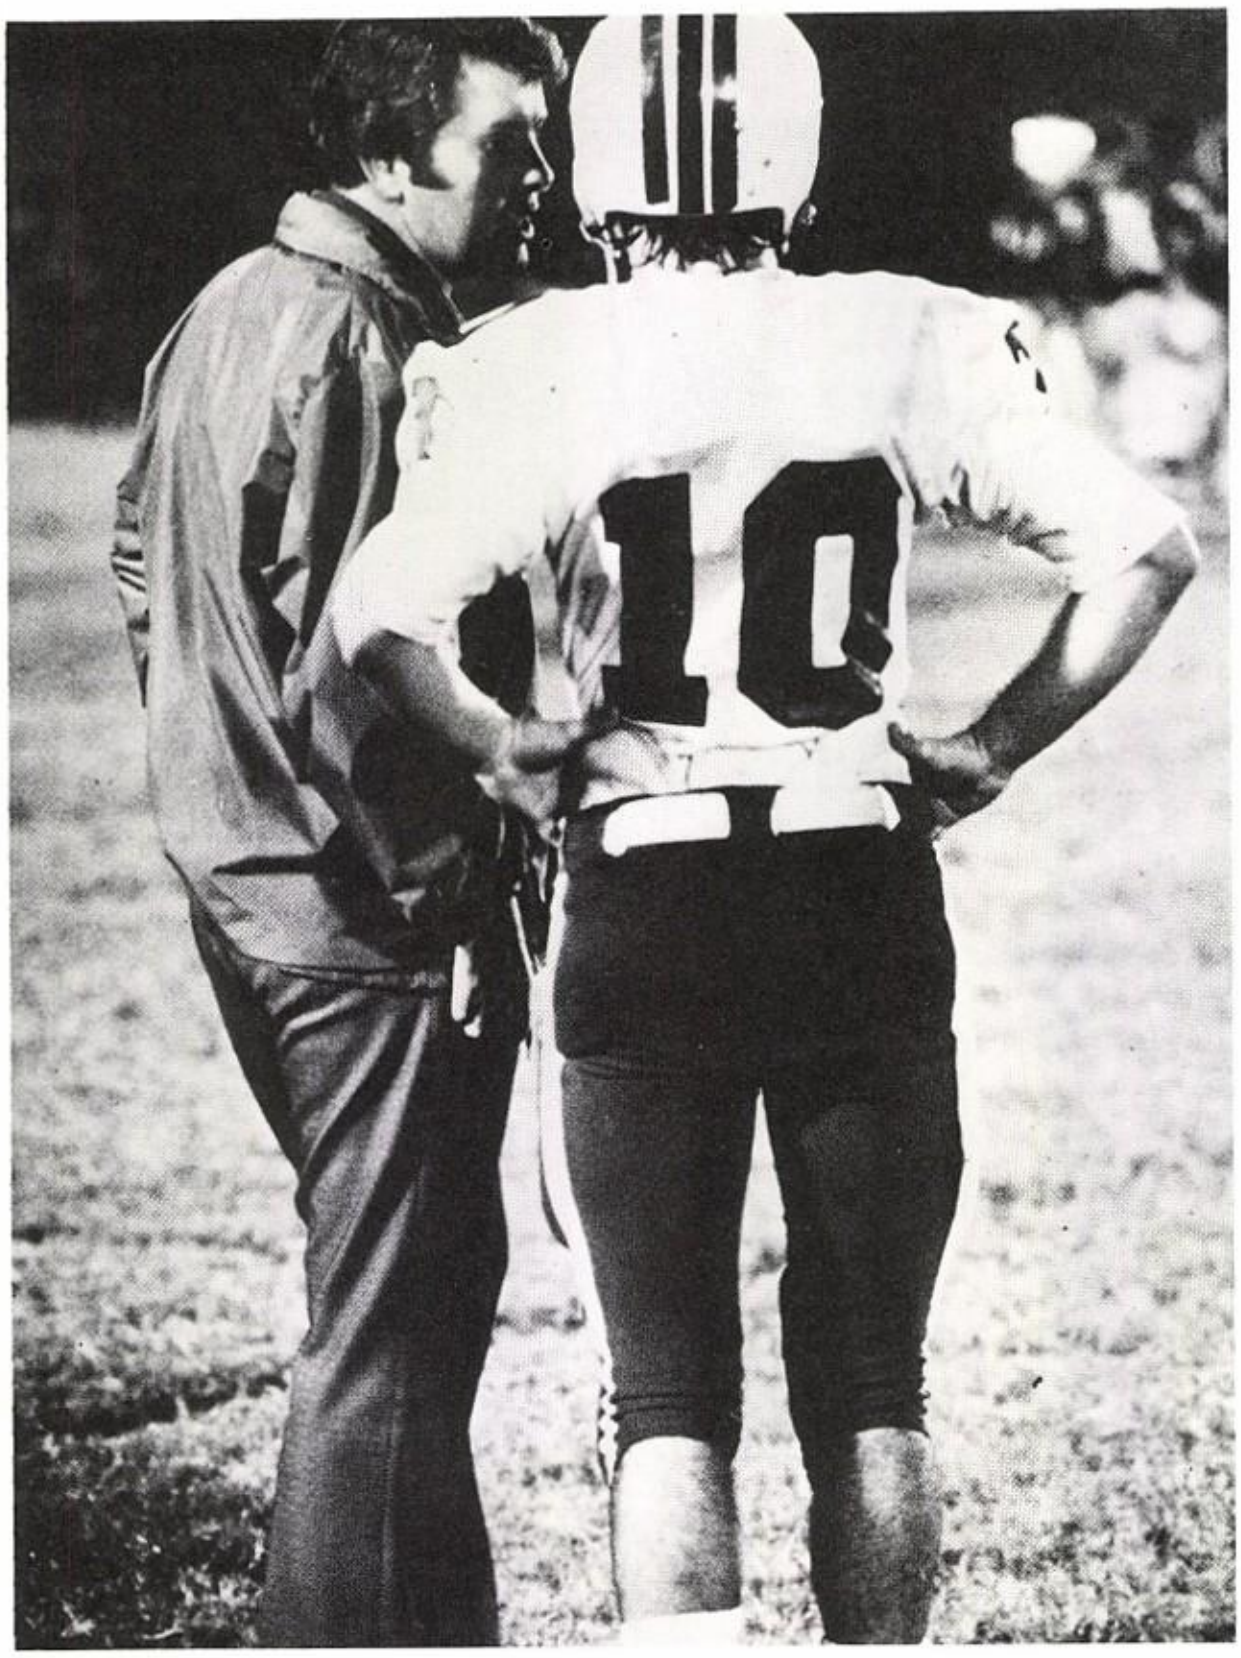
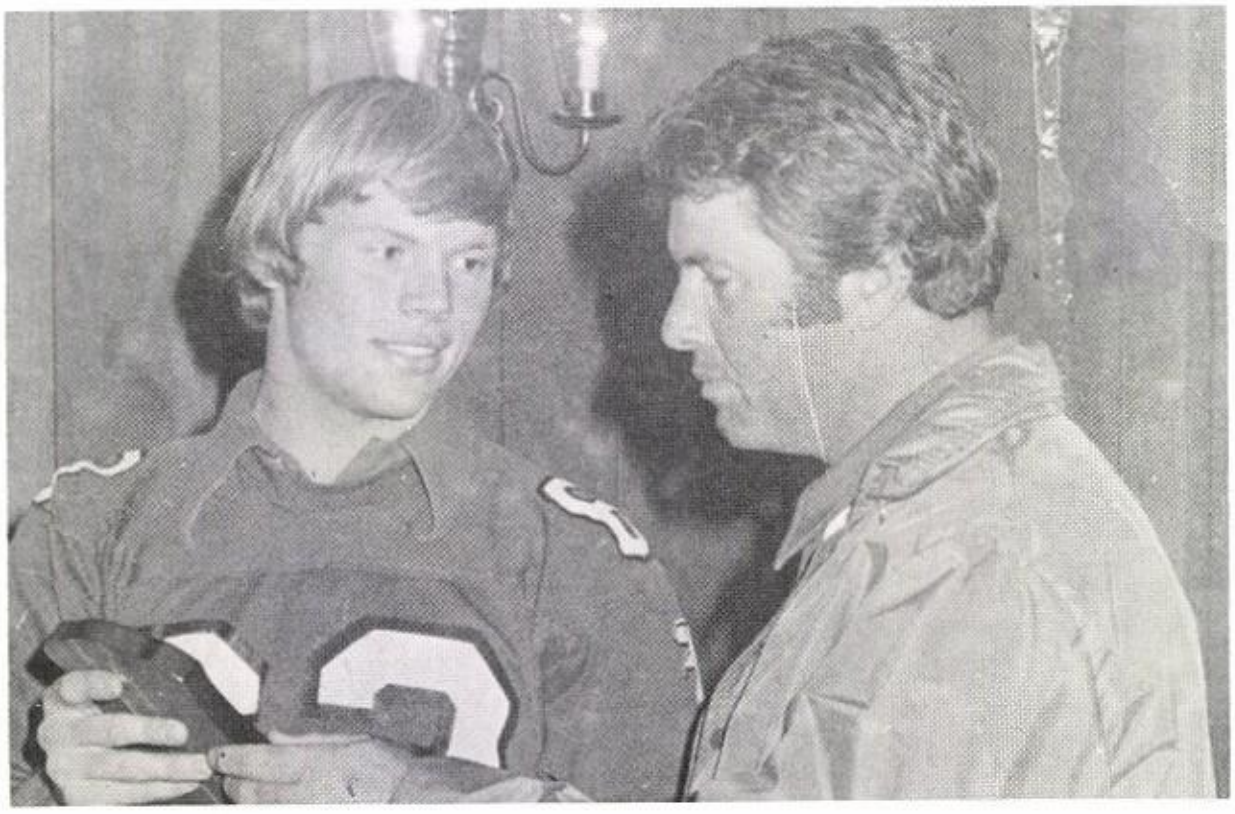
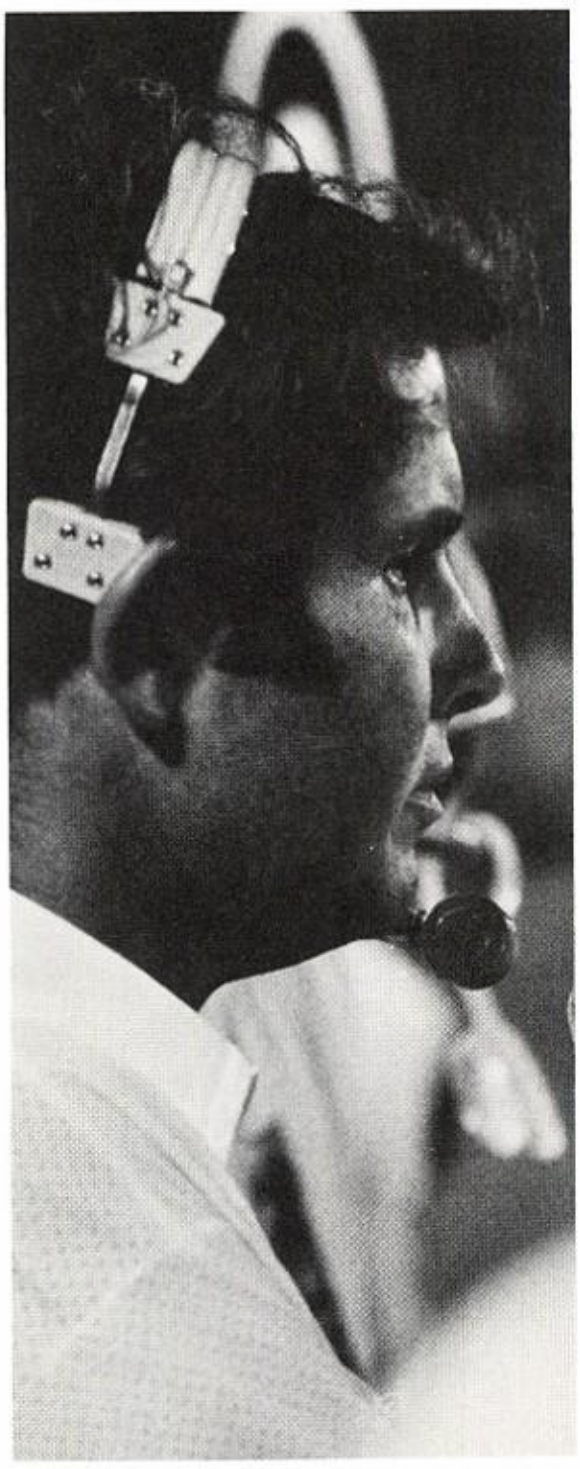
Class of "75"



After eight years of hard work and dedication coach Kent Clark retires to private business . . . The student body would like to express their thanks, but most of all their love to a coach, teacher and friend.



A plaque of appreciation for Kent Clark from the '74 football team.



1974-1975 Yearbook Staff

The staff worked especially hard this year on the first full year annual for Lake Dallas. Beginning the summer of '74 and finishing up the summer of 1975. New Events were covered the U.I.L. Literary Contests, the Prom,

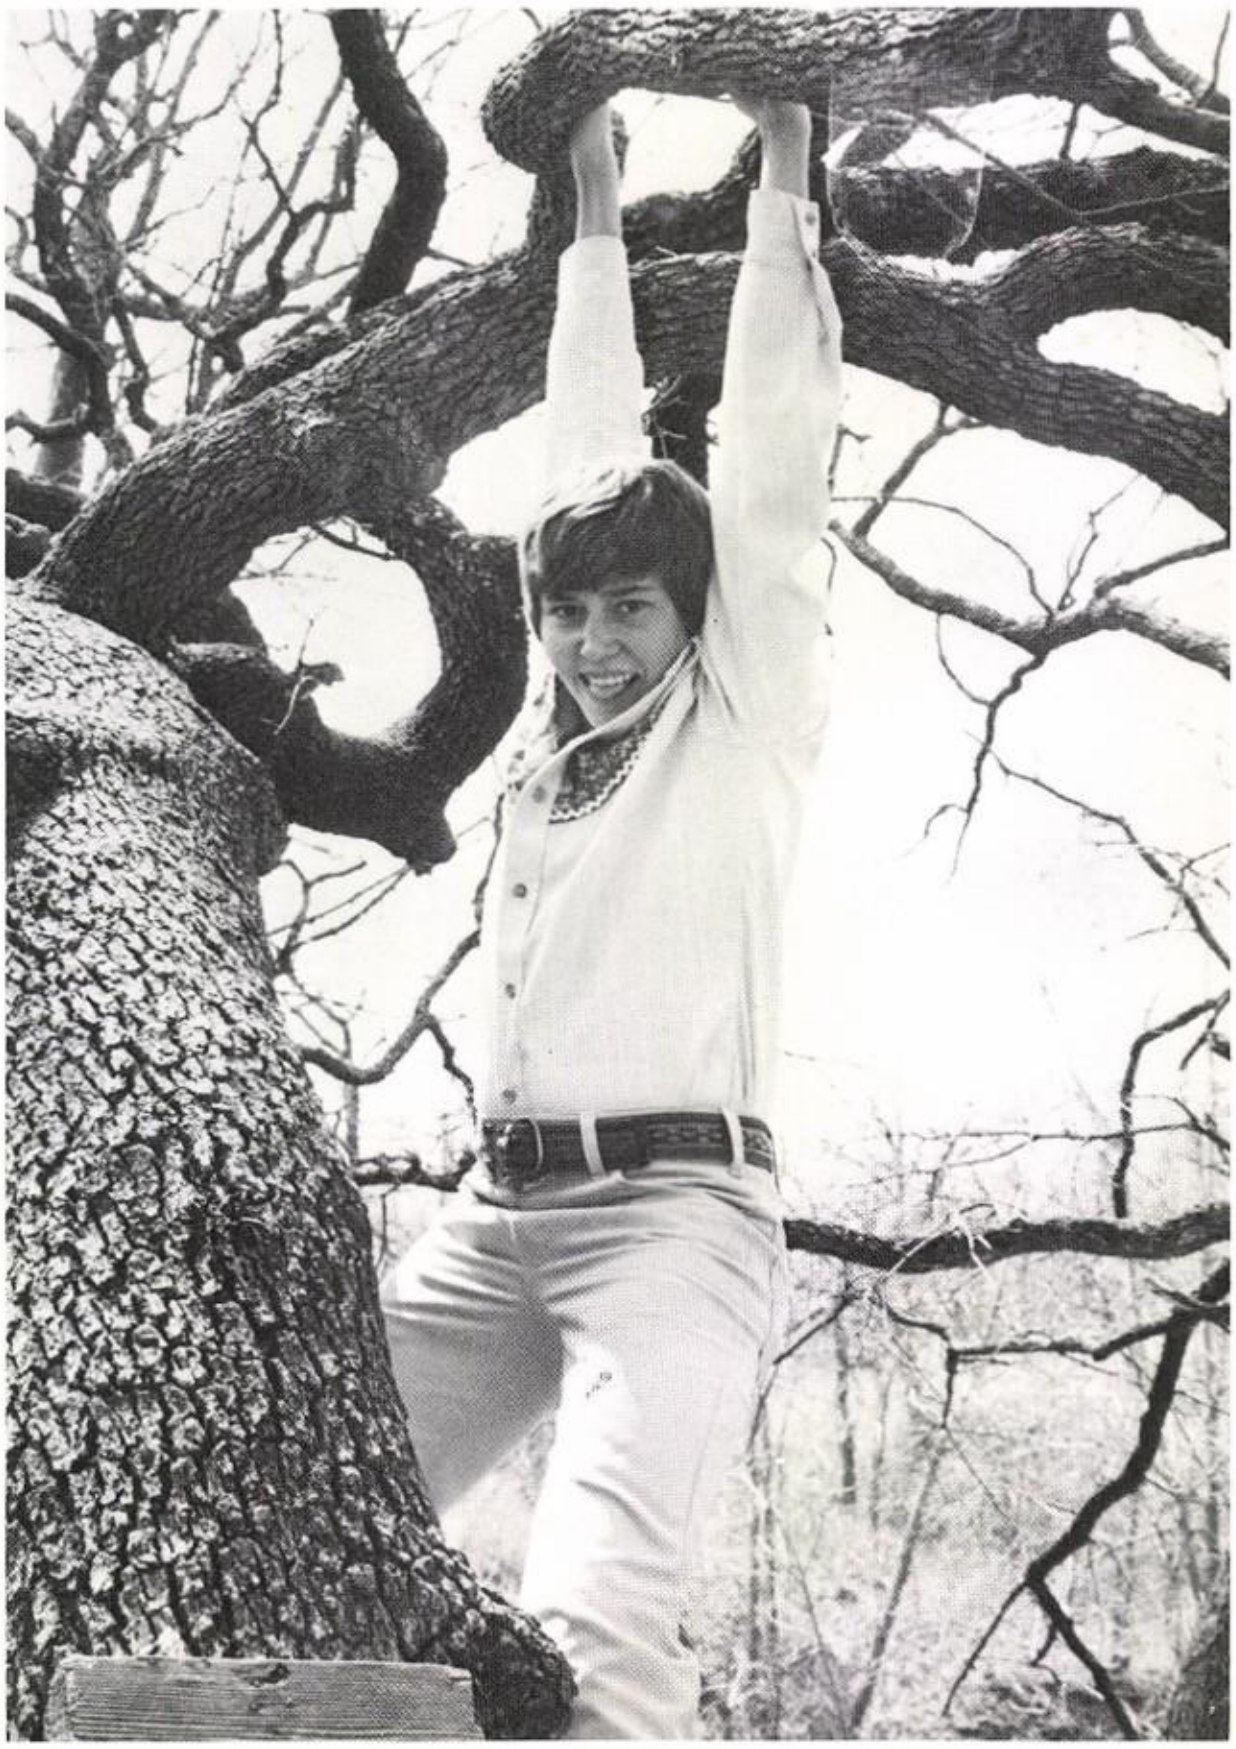
Above photograph is Mrs. Sue Rucker, sponsor and Debbie Bostock at work at the S.M.U. Yearbook Workshop. Photo at left shows the five members that attended the workshop and the two trophies won. One trophy was the most Outstanding Cover design and the other Honorable Mention for Dummy Layouts in competition against 4A Schools.

We were alive . . . in '75
not just existing, at least
most of us were . . . We
found that alive was
learning to love and show
emotion . . . excitement
and yelling.



Sometimes alive meant
just hanging in there . . .
so that we will continue to
grow and expand . . . and
live.
